

Digital freezers - 600 lt

The models detailed on this sheet are 600 liter fan assisted refrigeration cabinets that offer excellent standards in terms of performance and efficiency. They come in various types of materials (304 AISI, stainless steel or white painted steel) and are available with solid doors, either full or half height. Model RS06FX1FR has a remote refrigeration unit.

727127

- External panels in 304 AISI, stainless steel or white coated galvanized steel. Galvanized steel back panel and stainless steel bottom panel as standard on all models.
- Digital control panel allowing the easy and precise setting and control of the internal temperature.
- Completely automatic defrosting and automatic evaporation of defrost water (304 AISI models), manual emptying of defrost water (stainless steel models).
- Internal panels and door in 304 AISI or stainless steel .
- 150 mm height adjustable feet.
- High standards of hygiene and ease of cleaning are guaranteed by the rounded internal corners of the cabinet and easily removable runners and grids (without the use of tools).
- The refrigeration unit can operate in tropical climates (+43°C ambient temperature).
- Excellent forced air cooling system that ensures the utmost uniformity of temperature in the cabinet and guarantees a perfect storage quality of the goods.
- High-density expanded polyurethane insulating foam, 60 mm in thickness, with cyclopentane injection, guarantees exceptional, long-term insulation and notable energy savings.
- The rational use of the internal space of the refrigerator guarantees a large storage area suitable to contain 2/1 GN grids.

Digital freezers - 600 lt

- Reversible self-closing door, in positions less than 90°, with a stop at 95° and a maximum opening at 180°, equipped with a magnetic door seal to guarantee perfect closure. The pressed stainless steel recessed door handle without joints makes opening the cabinet extremely easy. All the doors are fitted as standard with locks and keys and a microswitch to switch off the fan when the door is opened.

- Feet with stainless steel finish.
- A wide range of optional accessories are available.
- Extremely quiet operation at 51 Db(A).
- CFC and HCFC free.
- All models comply with the standards required by the main international approval bodies and are CE marked.
